The trend towards a natural lifestyle has also arrived in the bathroom. In keeping with this, the Jasba-Senja Pure series will be expanded from 2022 to include the colour shabby chic brown: the two mosaic formats of 2x2 cm (washbasin area) and 5x5 cm (shower floor) are predestined for accentuations or also for the use on large surfaces. Also new: earthenware wall tiles in natural-white in the formats of 30x60 and 30x90 cm, which complement the feel-good atmosphere. Floor tiles: series Like (brand Agrob Buchtal) / 60x60 cm / warm grey.

Stylish naturalness: floor tiles from the Like series (brand Agrob Buchtal) in the representative 60 x 60 cm format (colour warm grey). Attractive accents are set by the 5x5 cm mosaic of Jasba-

## Motifs 5 to 8:

Jasba-Senja Pure can be combined in many ways, for example with the Walden or Like collections from the sister brand Agrob Buchtal. All components are easy to combine and offer creative design scope.
